

Artise Dental - Financial Guidelines

Dear Patient,

June 23, 2022

We believe in the importance of quality dental care and we strive to provide you the best dental treatment possible. Also, we understand the financial limitations that influence your choice of care. We want to assure you of our flexible approach to financing.

We work with most insurance companies and always try to maximize your coverage through meticulous detailing of procedures and interaction with your insurer if you have insurance. We even fill out the claim forms and send them for you and we're available to answer any questions we can.

However, remember that you are responsible for the portion of your treatment not covered by your insurance. *Because we too must balance our finances, we do ask that you pay your portion of the treatment unless prior arrangements have been made.* If you qualify, whether you have insurance or not, we will work with you to devise a method of payment that works for both of us. We also accept all major credit cards and care credit. **If payment is not received within the agreed upon time frame, billing and finance charges may apply.**

We hope that you find this information useful. Rest assured that we are here to help make quality dental care obtainable for all. We look forward to working with you to achieve excellent dental health.

Please know that we value your time and hope you will value ours. We have an automated reminding system that can text and email you two weeks ahead and again two days ahead of your scheduled appointment. This system can also be customized to your individual preference. **Please call our office and give a 24 hour business day notice of any cancellations to avoid a \$75.00 charge.** Thank you.

Sincerely,

Drs. Enrique and Trischa Tuesta
